# CITATION LONGITUDE

The CESSNA CITATION LONGITUDE aircraft is the new frontrunner in the super-midsize segment. No other business jet in this class gives you more range, greater payload or higher cruise speed at a lower total ownership cost.

- Engineered to give you the quietest, most comfortable cabin in its class.
- The spacious cabin and double-club seating afford up to 20% percent more legroom than the competition.
- Designed and built in-house, the fully lay-flat seats are crafted for smooth mobility as you work or relax in flight.
- The sizeable wet galley enhances cabin service with plenty of room for food preparation.
- The large walk-in baggage compartment has a storage capability of up to 1,000 lbs and is accessible throughout the entire flight without any restrictions.
- Arrive refreshed thanks to a low cabin altitude that does not exceed 5,950 feet.
